CHAIRMAN`S REPORT 2011

I am delighted that for the most part this year my report will be about cricket.

Many congratulations to Westgate for their success in winning the Division 1 title. Broadstairs' achievement's over the years have been fantastic and they have gone on to represent us with distinction, but it is nice to have a different name on the trophy (Which sounds good coming from a Manchester United supporter). The deadly duo of Old Hartsdonian A and their senior side will join them in Division 1 this term. Congratulations to them, and St Nicholas, Electric and Broadstairs D who won Divs 3,4 and 5 respectively.

The handicap system in the Cup produced some close and interesting results, except when it came to the Final where the might of Broadstairs proved too much for the gallant Worth from Division 4.

Since my last report, John and Claire Turner have taken over the daily management of the East Kent Sports School and running of the bar. I would like to thank them for everything they have done to help the TICL, its clubs and players. Their efforts we believe were so great, that the committee awarded them the Alan Carpenter Trophy for services to the Thanet Indoor League.

The recipients of the Wilkinson Sword Trophy, awarded by the Thanet KCB were John Jones, Tony Curwen and Richard Ash, who's joint commitment to the Steering Committee appointed to see Thanet cricket through its problems were immense and allowed the EKSS and TICL to continue. Many thanks gentlemen for all your dedicated work, it really is appreciated by all.

Only 2 players attained the threshold for personal achievement this year Adam Clark and Andrew Bailey, a quirk in the statistics which often sees more than 10 be awarded with the honour. Those who won extra recognition this year were the wily Dave Parker for most wickets, and for scoring the most runs, a tie between Michael Ross and David Cain. In addition David was voted Player of the Year.

I have written this slightly later than usual this year, and with pen in hand I have just heard about the resignation(?) of Ian Johnson as Principal of the Marlowe Academy. How that will effect us only time will tell.

Finally I would like to thank on your behalf all the administrators of the TICL, Thanet KCB and EKSS for all their hard work, and in particular to John Websper for all of his continued incredible dedication in compiling the Leagues statistics.

I would like to wish you all, umpires, scorers and players an enjoyable 2011-12 season.

Michael (George) Cocks.
Honorary Chairman September 2011.

2010 Statistical Review

The 2010 season saw 44 teams playing in five divisions an increase of two over 2009 . Westgate were the champions of Div One bringing to an end a run of Broadstairs' successes stretching back ten years to the 2000 season. The other Divisional winners were, Hartsdonians A, St Nicholas, Electric and Broadstairs D.

42 batsmen scored a total of 48 half-centuries with James Bond doing so on three occasions and a further four, D. Burgess, D.Cain, D.Cousins and D. Price doing so twice This represents a substantial increase of thirteen from the previous season.

Darren Cousins(Hartsdonians D) won the Jarman Trophy by scoring 511 Runs a margin of 53 ahead of second place James Bond and the first time since 1997 that a batman has scored more than 500 league runs.

Bowlers generally had a successful time with 3 wickets in an innings being achieved on 79 occasions and increase of eleven over 2009. Brian Miller did it in three matches and a further did so twice. They were J.Calcutt, D.Draper, S.Gardner,S.Merry, D Parker and M.Turner. Dave Parker(Broadstairs B) claimed the Fred Roberts Trophy with 23 wickets five more than his nearest challengers. The bowling return by Steve Burks (Electric) who took 5 for 5 against Worth equals the second best analysis ever achieved.

Andy Marshall and Stuart Smith became the second and third batsmen to reach the 8,000 run mark while Ian Robinson passed 6,000. Nine batsmen passed the 2,000 run stage but only two, A Bailey and M Ross qualified for Achievement Awards.

Andy Marshall also figures in the bowling stats. becoming only the third bowler to claim 300 wickets. Steve Atwell 200 but only one, Alan Clark reached the 70 wicket mark to qualify for an Achievement Award.

There was one new record partnership Hartsdonians D racking up an unbeaten total of 155 for the second wicket in their Division Five match against Margate B. This eclipses the previous best for a second wicket stand set by Westgate A back in 1993 and also equals the 5th highest for any wicket.

The number of players taking part (470) remained almost identical to the total in 2009 (467).
